## Claiming your Alabama State Income Tax Credit

Thank you so much for your donation to Scholarships For Kids.

Thanks to donors like you we've been able to raise over \$25,000,000 dollars and provide more than 5,000 scholarships to the Alabama families who need them most. This step-by-step guide was created to walk you through the process of claiming your Alabama State Income Tax Credit.

### PART 1: Creating a My Alabama Taxes Account

If this is your first time to claim an income tax credit, you will need to create a My Alabama Taxes (MAT) account through the Alabama Department of Revenue website. [www.ador.alabama.gov](http://www.ador.alabama.gov).

\*If you have claimed credits in the past, you can skip this step and login with the username and password you have already established.

Before you can set up a MAT account, you will need:

- Your social security number
- Your Alabama Adjusted Gross Income (AGI) from your previous year's state tax return. Your federal AGI will not work.

**Step 1:** Go to [myalabamataxes.alabama.gov](http://myalabamataxes.alabama.gov) and click the NEW USER? SIGN UP HERE button.

**Step 2:** From the drop down box, scroll down to choose INDIVIDUAL INCOME TAX and add your social security number and your previous year's Alabama AGI.

**Step 3:** Choose a username, password, SECRET QUESTION and SECRET ANSWER.

Note: Please record your username and password somewhere safe. You will need this again next year and Scholarships For Kids has no way to retrieve lost passwords.

**Step 4:** Enter your personal contact information.

**Step 5:** Determine whether or not to allow others to access your accounts.

If you use a CPA or professional accounting firm, you may want to allow them access to your account.

**Step 6:** Before you leave the final screen, we suggest printing the final confirmation screen with your login details. You will receive an email or text with an Authorization Code that you will need the first time you log into the MAT system.

You are now done with the ADOR MAT registration process.
