STEP-BY-STEP GUIDE TO MAKE YOUR TAX CREDIT GIFT

INSTRUCTIONS FOR INDIVIDUAL DONORS

PART 1: CREATING MY ALABAMA TAXES ACCOUNT

If this is your first time claiming an income tax credit, you will need to create a My Alabama Taxes (MAT) account through the Alabama Department of Revenue website.

**You may skip this step and login if you have claimed tax credits in the past.*

To set up a MAT account, you will need:

- Your social security number
- Your Alabama Adjusted Gross Income (AGI) from your previous year's state tax return. Your federal AGI will not work.

Step 1: Go to myalabamataxes.alabama.gov and click **Create a My Alabama Taxes account** in the Sign in to MAT box.

Step 2: From the drop-down box, select *Individual Income Tax* and enter your social security number, your last name, and your previous year's Alabama AGI. Click *Next*.

Step 3: Choose a username, a password, and your password recovery question and answer. Click *Next*.

Note – Please record your username and password somewhere safe. You will need this again next year, and we are unable to retrieve lost passwords.

Step 4: Enter your personal contact information. Click *Submit*.

Step 5: Before you leave the final screen, we suggest printing the final confirmation screen with your login details.

INSTRUCTIONS FOR PASS-THROUGH ENTITIES

Donating to Scholarships for Kids through a pass-through entity, and then claiming an individual tax credit against individual Alabama State income taxes, requires just a few simple steps, as follows.

Step 1: Register your entity with the online portal of The Alabama Department of Revenue (the Department), called My Alabama Taxes (MAT).

Step 2: Designate online at MAT, Scholarships for Kids, then follow a short series of instructions/steps online at MAT to record the donation and reserve a portion of the Remaining Alabama Scholarship Reserve.

Step 3: Cause your entity to make its donation to the SGO. *Note – Checks must be written on the entity account.*

Step 4: The SGO will process your donation and send written confirmation of the gift. You will need this acknowledgment letter to attach in the next step.

Step 5: The pass-through entity will submit a credit claim on their MAT account to be processed by the Department of Revenue.

Step 6: The individual owners of the entity will claim the credit on their individual tax returns, pro rata to their ownership.

Note – The Alabama Accountability Act limits individual taxpayers claiming credits to \$100,000 per year.
